

16 October 2015

Between January and September 2015, SUEK production facilities produced 68.4 million tonnes of coal, this compares with 68.6 million tonnes for the same nine-month period in 2014.

Sales volumes in the first nine months of 2015 increased by 8% compared to 2014, amounting to a total of 70.9 million tonnes of coal.

Domestic sales volumes rose by 14% - 36.3 million tonnes of coal were delivered to Russian customers, 29.7% of which were delivered to electric power plants.

International sales grew by 3% year-on-year to 34.6 million tonnes of coal. SUEK's key export markets include Japan, China, South Korea, the Netherlands, Taiwan, India, UK and Germany.
